

Seatpost Kit Fitting Guide

Please follow these instructions to ensure optimum performance from your ChronoTrack timing tag

Your timing tag , programmed with your race number, is already attached to your seatpost sticker.

Carefully peel your seatpost sticker from your number kit.

Place your number sticker on your seat-post aligning middle of sticker with the middle of the seatpost.

Press the ends of your number sticker together, ..

.. then gently press the sticker closed

Seat-post sticker correctly fitted

- ⚠ Please do not remove your timing tag
- ⚠ Please do not bend or fold your timing tag
- ⚠ Please do not modify or cut your timing tag
- ⚠ Failure to follow these instructions will mean your time may not be recorded
- ✓ If you have difficulty following these instructions please see a timing official for assistance
